## SUMMARY

Over 5 years of experience in building and maintaining responsive websites. Creative and dependable developer with excellent work ethic. Skilled at writing well-designed, testable and efficient code using current best practices in web development. I've worked in both start-up and agency environments. I enjoy pushing the limits of the browser, solving difficult problems, and making beautiful, usable applications. Highly self-motivated, goal-oriented with a quest and deal to learn new technologies and always believes in innovation, passion and success.
